Subject: Sufficiency Review - Docket No. T-03226A-96-0388

Dear Mr. Zuckerman:

Due to a recent Arizona Superior Court ruling, Staff requests additional information necessary to process the Certificate of Convenience and Necessity application.

- A. Please provide the projected total revenue for the first twelve months of service. This calculation must assume the Company is charging the **maximum rate** requested in its tariff. Total revenue could be calculated as the number of units sold for all services offered times the maximum charge per unit.
- B. Please provide the projected value of total operating expenses for the first twelve months of service.
- C. Please provide the projected value of **all assets** to be used to provide telecommunications service to Arizona customers for the first twelve months of service. Please be aware that assets are not limited to plant and equipment. Items such as office equipment and office supplies should be included in this figure.

This fair value information must be received by Docket Control within **30 days** of the date of this letter. Please mail an original plus 10 copies to: Docket Control, Arizona Corporation Commission, 1200 W. Washington Street, Phoenix, AZ 85007-2927. If no response is received, Staff may recommend that the application be terminated. If the application is terminated, the Applicant cannot provide telecommunications service until such time as a new application is filed with and approved by the Commission.
